Community Relations

csevilla@cebde.org

I am passionate about giving children and their families' choices and resources to meet their goals. Throughout my career I have made a point of serving my community with dedication and commitment. I studied at the University of Costa Rica and I am taking classes at Wilmington University. I started at the Community Education Building in 2015. I am looking forward to continue to serving the families at the CEB in the Family Resource Center by excelling at providing support for their needs and goals.
